17 complete a vision test and a test of the applicant's ability to understand highway signs which
18 regulate, warn or direct traffic and practical knowledge of the traffic laws of this state, pursuant
19 to section 302.173. In addition, beginning January 1, 2007, no permit shall be granted pursuant
20 to this subsection unless a parent or legal guardian gives written permission by signing the
21 application and in so signing, state they, or their designee as set forth in subsection 2 of this
22 section, will provide a minimum of forty hours of behind-the-wheel driving instruction,
23 including a minimum of ten hours of behind-the-wheel driving instruction that occurs during the
24 nighttime hours falling between sunset and sunrise. The forty hours of behind-the-wheel driving
25 instruction that is completed pursuant to this subsection may include any time that the holder of
26 an instruction permit has spent operating a motor vehicle in a driver training program taught by
27 a driver training instructor holding a valid driver education endorsement on a teaching certificate
28 issued by the department of elementary and secondary education or by a qualified instructor of
29 a private drivers' education program. If the applicant for a permit is enrolled in a federal
30 residential job training program, the instructor, as defined in subsection 5 of this section, is
31 authorized to sign the application stating that the applicant will receive the behind-the-wheel
32 driving instruction required by this section.

33 2. In the event the parent, grandparent or guardian of the person under sixteen years of
34 age has a physical disability which prohibits or disqualifies said parent, grandparent or guardian
35 from being a qualified licensed operator pursuant to this section, said parent, grandparent or
36 guardian may designate a maximum of two individuals authorized to accompany the applicant
37 for the purpose of giving instruction in driving the motor vehicle. An authorized designee must
38 be a licensed operator for the type of motor vehicle being operated and have attained twenty-one
39 years of age. At least one of the designees must occupy the seat beside the applicant while
40 giving instruction in driving the motor vehicle. The name of the authorized designees must be
41 provided to the department of revenue by the parent, grandparent or guardian at the time of
42 application for the temporary instruction permit. The name of each authorized designee shall be
43 printed on the temporary instruction permit, however, the director may delay the time at which
44 permits are printed bearing such names until the inventories of blank permits and related forms
45 existing on August 28, 1998, are exhausted.

46 3. The director, upon proper application on a form prescribed by the director, in his or
47 her discretion, may issue a restricted instruction permit effective for a school year or more
48 restricted period to an applicant who is enrolled in a high school driver training program taught
49 by a driver training instructor holding a valid driver education endorsement on a teaching
50 certificate issued by the state department of elementary and secondary education even though the
51 applicant has not reached the age of sixteen years but has passed the age of fifteen years. Such
52 instruction permit shall entitle the applicant, when the applicant has such permit in his or her

53 immediate possession, to operate a motor vehicle on the highways, but only when a driver
54 training instructor holding a valid driver education endorsement on a teaching certificate issued
55 by the state department of elementary and secondary education is occupying a seat beside the
56 driver.

57 4. The director, in his or her discretion, may issue a temporary driver's permit to an
58 applicant who is otherwise qualified for a license permitting the applicant to operate a motor
59 vehicle while the director is completing the director's investigation and determination of all facts
60 relative to such applicant's rights to receive a license. Such permit must be in the applicant's
61 immediate possession while operating a motor vehicle, and it shall be invalid when the
62 applicant's license has been issued or for good cause has been refused.

63 5. In the event that the applicant for a temporary instruction permit described in
64 subsection 1 of this section is a participant in a federal residential job training program, the
65 permittee may operate a motor vehicle accompanied by a driver training instructor who holds a
66 valid driver education endorsement issued by the department of elementary and secondary
67 education and a valid driver's license.

68 6. A person at least fifteen years of age may operate a motor vehicle as part of a driver
69 training program taught by a driver training instructor holding a valid driver education
70 endorsement on a teaching certificate issued by the department of elementary and secondary
71 education or a qualified instructor of a private drivers' education program.

72 7. Beginning January 1, 2003, the director shall issue with every temporary instruction
73 permit issued pursuant to subsection 1 of this section a sticker or sign bearing the words
74 "PERMIT DRIVER". The design and size of such sticker or sign shall be determined by the
75 director by regulation. Every applicant issued a temporary instruction permit and sticker on or
76 after January 1, 2003, may display or affix the sticker or sign on the rear window of the motor
77 vehicle. Such sticker or sign may be displayed on the rear window of the motor vehicle
78 whenever the holder of the instruction permit operates a motor vehicle during his or her
79 temporary permit licensure period.

80 8. Beginning July 1, 2005, the director shall verify that an applicant for an instruction
81 permit issued under this section is lawfully present in the United States before accepting the
82 application. The director shall not issue an instruction permit for a period that exceeds an
83 applicant's lawful presence in the United States. The director may establish procedures to verify
84 the lawful presence of the applicant and establish the duration of any permit issued under this
85 section.

86 9. The director may adopt rules and regulations necessary to carry out the provisions of
87 this section.

302.304. 1. The director shall notify by ordinary mail any operator of the point value charged against the operator's record when the record shows four or more points have been accumulated in a twelve-month period.

2. In an action to suspend or revoke a license or driving privilege under this section points shall be accumulated on the date of conviction. No case file of any conviction for a driving violation for which points may be assessed pursuant to section 302.302 may be closed until such time as a copy of the record of such conviction is forwarded to the department of revenue.

3. The director shall suspend the license and driving privileges of any person whose driving record shows the driver has accumulated eight points in eighteen months, **unless the person accumulated the eight points under the provisions of subdivision (8) of subsection 1 of section 302.302 or subdivision (10) of subsection 1 of section 302.302.**

4. The license and driving privilege of any person whose license and driving privilege have been suspended under the provisions of sections 302.010 to 302.540 except those persons whose license and driving privilege have been suspended under the provisions of subdivision (8) of subsection 1 of section 302.302 or has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 and who has filed proof of financial responsibility with the department of revenue, in accordance with chapter 303, and is otherwise eligible, shall be reinstated as follows:

(1) In the case of an initial suspension, thirty days after the effective date of the suspension;

(2) In the case of a second suspension, sixty days after the effective date of the suspension;

(3) In the case of the third and subsequent suspensions, ninety days after the effective date of the suspension. Unless proof of financial responsibility is filed with the department of revenue, a suspension shall continue in effect for two years from its effective date.

5. The period of suspension of the driver's license and driving privilege of any person under the provisions of subdivision (8) of subsection 1 of section 302.302 or who has accumulated sufficient points together with a conviction under subdivision (10) of subsection 1 of section 302.302 shall be thirty days, followed by a sixty-day period of restricted driving privilege as defined in section 302.010, **unless the person agrees to equip his or her vehicle with a functioning, certified ignition interlock device, in which case, there shall be no period of suspension and the person shall instead have a ninety-day period of restricted driving privilege.** Upon completion of such period of restricted driving privilege, upon compliance with other requirements of law and upon filing of proof of financial responsibility

36 with the department of revenue, in accordance with chapter 303, the license and driving privilege
37 shall be reinstated.

38 6. If the person fails to maintain proof of financial responsibility in accordance with
39 chapter 303, the person's driving privilege and license shall be resuspended.

40 7. The director shall revoke the license and driving privilege of any person when the
41 person's driving record shows such person has accumulated twelve points in twelve months or
42 eighteen points in twenty-four months or twenty-four points in thirty-six months. The revocation
43 period of any person whose license and driving privilege have been revoked under the provisions
44 of sections 302.010 to 302.540 and who has filed proof of financial responsibility with the
45 department of revenue in accordance with chapter 303 and is otherwise eligible, shall be
46 terminated by a notice from the director of revenue after one year from the effective date of the
47 revocation. Unless proof of financial responsibility is filed with the department of revenue,
48 except as provided in subsection 2 of section 302.541, the revocation shall remain in effect for
49 a period of two years from its effective date. If the person fails to maintain proof of financial
50 responsibility in accordance with chapter 303, the person's license and driving privilege shall be
51 rerevoked. Any person whose license and driving privilege have been revoked under the
52 provisions of sections 302.010 to 302.540 shall, upon receipt of the notice of termination of the
53 revocation from the director, pass the complete driver examination and apply for a new license
54 before again operating a motor vehicle upon the highways of this state.

55 8. If, prior to conviction for an offense that would require suspension or revocation of
56 a person's license under the provisions of this section, the person's total points accumulated are
57 reduced, pursuant to the provisions of section 302.306, below the number of points required for
58 suspension or revocation pursuant to the provisions of this section, then the person's license shall
59 not be suspended or revoked until the necessary points are again obtained and accumulated.

60 9. If any person shall neglect or refuse to surrender the person's license, as provided
61 herein, the director shall direct the state highway patrol or any peace or police officer to secure
62 possession thereof and return it to the director.

63 10. Upon the issuance of a reinstatement or termination notice after a suspension or
64 revocation of any person's license and driving privilege under the provisions of sections 302.010
65 to 302.540, the accumulated point value shall be reduced to four points, except that the points
66 of any person serving as a member of the armed forces of the United States outside the limits of
67 the United States during a period of suspension or revocation shall be reduced to zero upon the
68 date of the reinstatement or termination of notice. It shall be the responsibility of such member
69 of the armed forces to submit copies of official orders to the director of revenue to substantiate
70 such overseas service. Any other provision of sections 302.010 to 302.540 to the contrary

71 notwithstanding, the effective date of the four points remaining on the record upon reinstatement
72 or termination shall be the date of the reinstatement or termination notice.

73 11. No credit toward reduction of points shall be given during periods of suspension or
74 revocation or any period of driving under a limited driving privilege granted by a court or the
75 director of revenue.

76 12. Any person or nonresident whose license or privilege to operate a motor vehicle in
77 this state has been suspended or revoked under this or any other law shall, before having the
78 license or privilege to operate a motor vehicle reinstated, pay to the director a reinstatement fee
79 of twenty dollars which shall be in addition to all other fees provided by law.

80 13. Notwithstanding any other provision of law to the contrary, if after two years from
81 the effective date of any suspension or revocation issued under this chapter, the person or
82 nonresident has not paid the reinstatement fee of twenty dollars, the director shall reinstate such
83 license or privilege to operate a motor vehicle in this state.

84 14. No person who has had a license to operate a motor vehicle suspended or revoked
85 as a result of an assessment of points for a violation under subdivision (8), (9) or (10) of
86 subsection 1 of section 302.302 shall have that license reinstated until such person has
87 participated in and successfully completed a substance abuse traffic offender program defined
88 in section 302.010, or a program determined to be comparable by the department of mental
89 health. Assignment recommendations, based upon the needs assessment as described in
90 subdivision (22) of section 302.010, shall be delivered in writing to the person with written
91 notice that the person is entitled to have such assignment recommendations reviewed by the court
92 if the person objects to the recommendations. The person may file a motion in the associate
93 division of the circuit court of the county in which such assignment was given, on a printed form
94 provided by the state courts administrator, to have the court hear and determine such motion
95 pursuant to the provisions of chapter 517. The motion shall name the person or entity making
96 the needs assessment as the respondent and a copy of the motion shall be served upon the
97 respondent in any manner allowed by law. Upon hearing the motion, the court may modify or
98 waive any assignment recommendation that the court determines to be unwarranted based upon
99 a review of the needs assessment, the person's driving record, the circumstances surrounding the
100 offense, and the likelihood of the person committing a like offense in the future, except that the
101 court may modify but may not waive the assignment to an education or rehabilitation program
102 of a person determined to be a prior or persistent offender as defined in section 577.023 or of a
103 person determined to have operated a motor vehicle with fifteen-hundredths of one percent or
104 more by weight in such person's blood. Compliance with the court determination of the motion
105 shall satisfy the provisions of this section for the purpose of reinstating such person's license to

106 operate a motor vehicle. The respondent's personal appearance at any hearing conducted
107 pursuant to this subsection shall not be necessary unless directed by the court.

108 15. The fees for the program authorized in subsection 14 of this section, or a portion
109 thereof to be determined by the department of mental health, shall be paid by the person enrolled
110 in the program. Any person who is enrolled in the program shall pay, in addition to any fee
111 charged for the program, a supplemental fee in an amount to be determined by the department
112 of mental health for the purposes of funding the substance abuse traffic offender program defined
113 in section 302.010 and section 577.001 or a program determined to be comparable by the
114 department of mental health. The administrator of the program shall remit to the division of
115 alcohol and drug abuse of the department of mental health on or before the fifteenth day of each
116 month the supplemental fee for all persons enrolled in the program, less two percent for
117 administrative costs. Interest shall be charged on any unpaid balance of the supplemental fees
118 due the division of alcohol and drug abuse pursuant to this section and shall accrue at a rate not
119 to exceed the annual rate established pursuant to the provisions of section 32.065, plus three
120 percentage points. The supplemental fees and any interest received by the department of mental
121 health pursuant to this section shall be deposited in the mental health earnings fund which is
122 created in section 630.053.

123 16. Any administrator who fails to remit to the division of alcohol and drug abuse of the
124 department of mental health the supplemental fees and interest for all persons enrolled in the
125 program pursuant to this section shall be subject to a penalty equal to the amount of interest
126 accrued on the supplemental fees due the division pursuant to this section. If the supplemental
127 fees, interest, and penalties are not remitted to the division of alcohol and drug abuse of the
128 department of mental health within six months of the due date, the attorney general of the state
129 of Missouri shall initiate appropriate action of the collection of said fees and interest accrued.
130 The court shall assess attorney fees and court costs against any delinquent program.

131 17. Any person who has had a license to operate a motor vehicle suspended or revoked
132 as a result of an assessment of points for a violation under subdivision (9) of subsection 1 of
133 section 302.302 shall be required to file proof with the director of revenue that any motor vehicle
134 operated by the person is equipped with a functioning, certified ignition interlock device as a
135 required condition of reinstatement of the license. The ignition interlock device shall further be
136 required to be maintained on all motor vehicles operated by the person for a period of not less
137 than six months immediately following the date of reinstatement. If the person fails to maintain
138 such proof with the director, the license shall be resuspended or revoked and the person shall be
139 guilty of a class A misdemeanor.

5 The request of the officer shall include the reasons of the officer for requesting the person to
6 submit to a test and also shall inform the person that evidence of refusal to take the test may be
7 used against such person and that the person's license shall be immediately revoked upon refusal
8 to take the test. If a person when requested to submit to any test allowed pursuant to section
9 577.020 requests to speak to an attorney, the person shall be granted twenty minutes in which
10 to attempt to contact an attorney. If upon the completion of the twenty-minute period the person

11 continues to refuse to submit to any test, it shall be deemed a refusal. In this event, the officer
12 shall, on behalf of the director of revenue, serve the notice of license revocation personally upon
13 the person and shall take possession of any license to operate a motor vehicle issued by this state
14 which is held by that person. The officer shall issue a temporary permit, on behalf of the director
15 of revenue, which is valid for fifteen days and shall also give the person a notice of such person's
16 right to file a petition for review to contest the license revocation.

17 2. The officer shall make a certified report under penalties of perjury for making a false
18 statement to a public official. The report shall be forwarded to the director of revenue and shall
19 include the following:

20 (1) That the officer has:

21 (a) Reasonable grounds to believe that the arrested person was driving a motor vehicle
22 while in an intoxicated or drugged condition; or

23 (b) Reasonable grounds to believe that the person stopped, being under the age of
24 twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths
25 of one percent or more by weight; or

26 (c) Reasonable grounds to believe that the person stopped, being under the age of
27 twenty-one years, was committing a violation of the traffic laws of the state, or political
28 subdivision of the state, and such officer has reasonable grounds to believe, after making such
29 stop, that the person had a blood alcohol content of two-hundredths of one percent or greater;

30 (2) That the person refused to submit to a chemical test;

31 (3) Whether the officer secured the license to operate a motor vehicle of the person;

32 (4) Whether the officer issued a fifteen-day temporary permit;

33 (5) Copies of the notice of revocation, the fifteen-day temporary permit and the notice
34 of the right to file a petition for review, which notices and permit may be combined in one
35 document; and

36 (6) Any license to operate a motor vehicle which the officer has taken into possession.

37 3. Upon receipt of the officer's report, the director shall revoke the license of the person
38 refusing to take the test for a period of one year; or if the person is a nonresident, such person's
39 operating permit or privilege shall be revoked for one year; or if the person is a resident without
40 a license or permit to operate a motor vehicle in this state, an order shall be issued denying the
41 person the issuance of a license or permit for a period of one year.

42 4. If a person's license has been revoked because of the person's refusal to submit to a
43 chemical test, such person may petition for a hearing before a circuit division or associate
44 division of the court in the county in which the arrest or stop occurred. The person may request
45 such court to issue an order staying the revocation until such time as the petition for review can
46 be heard. If the court, in its discretion, grants such stay, it shall enter the order upon a form

47 prescribed by the director of revenue and shall send a copy of such order to the director. Such
48 order shall serve as proof of the privilege to operate a motor vehicle in this state and the director
49 shall maintain possession of the person's license to operate a motor vehicle until termination of
50 any revocation pursuant to this section. Upon the person's request the clerk of the court shall
51 notify the prosecuting attorney of the county and the prosecutor shall appear at the hearing on
52 behalf of the director of revenue. At the hearing the court shall determine only:

53 (1) Whether or not the person was arrested or stopped;

54 (2) Whether or not the officer had:

55 (a) Reasonable grounds to believe that the person was driving a motor vehicle while in
56 an intoxicated or drugged condition; or

57 (b) Reasonable grounds to believe that the person stopped, being under the age of
58 twenty-one years, was driving a motor vehicle with a blood alcohol content of two-hundredths
59 of one percent or more by weight; or

60 (c) Reasonable grounds to believe that the person stopped, being under the age of
61 twenty-one years, was committing a violation of the traffic laws of the state, or political
62 subdivision of the state, and such officer had reasonable grounds to believe, after making such
63 stop, that the person had a blood alcohol content of two-hundredths of one percent or greater; and

64 (3) Whether or not the person refused to submit to the test.

65 5. If the court determines any issue not to be in the affirmative, the court shall order the
66 director to reinstate the license or permit to drive.

67 6. Requests for review as provided in this section shall go to the head of the docket of
